Public Welcome!

6:45 p.m. – Enjoy Show Tables
7:00 p.m. – Announcements
7:15 p.m. – Program
8:45 p.m. – Show Table

January Program

Our guest speaker this month will be John Stubbings. He will be speaking on the topic of "New Directions in Multifloral Phalaenopsis." His presentation includes species used, old and new hybrids, plant class entry for shows, and related photographs from the 2006 Taiwan International Orchid Show, the 2007 Japan Grand Prix, the 2007 Taiwan International Orchid Show and the 9th Asia Pacific Orchid Conference in Goyang Korea - 2007, The 19th World Orchid Conference Miami 2008 and the Peterborough England International Orchid Show 2008 and 2009.

Terri will announce the winner of the show table plant contest for 2010. The winners will receive a gift certificate to rePotme.com. Going into next year Terri will be busy as president of the club and if we want to continue the plant contest we need a person (or two) to take over.

Please bring your blooming plants for the show table! After all, part of the fun of our club is seeing all the orchids. It takes a little extra effort to bring plants in for the display, but it makes the meetings so much more enjoyable for everyone!

Thank You!

Thanks to Jessica for the excellent job she has done as the president for the past year!

Thanks to Geoff too! He organized the HO'TOS spring show last year and he did a fantastic job as usual!

And thanks to everyone else who has contributed their time to the club! HO'TOS is entirely run by volunteers and without them there would be no club. There are so many opportunities, big and small, for each of us to lend a hand to keep our club successful. When thinking about your New Year's Resolutions, please consider volunteering for one of our events or activities. Thanks!

Upcoming Events

February 19th: Houston Judging Center's Orchid Workshop and Judging Seminar at Jerabeck Center, St. Thomas University, Houston TX. Attendance is open to anyone who would like to come. Jim Rassmann will present "Judging Aspects of the Odontoglossums and Their Warmth Tolerant Hybrids". Bob Fuchs will present "Judging Vandas with Emphasis on Euanthe sanderiana." The cost of the seminar is \$40.00 which includes lunch. If there are any questions, please contact Holly Miller, (281) 597-8792.

April 1st-3rd: 2011 Spring SWROGA Show. This will be the 100th SWROGA show, hosted by the Baton Rouge Orchid Society. Holiday Inn Baton Rouge South, 9940 Airline Highway, Baton Rouge. Registration is on the SWROGA website at <http://www.swroga.org>. Please contact James Jeansonne at jamesmj@cox.net for (225) 275-8103 for information.

Happy New Year!
